Topic: **Budget Survey**

The Board of Trustees has begun the planning process to inform the development of our budget for next year.

We have developed a stakeholder survey which will be used to inform our budget planning. This is available for all staff, parents / guardians, and students in Grades 6-12.

Please take a few minutes to complete this survey so that we may incorporate your feedback in our planning. All surveys are anonymous and voluntary.

Please complete this survey by Thursday, December 31.
