Pays for A's

We are rewarding our student members with \$10 for every "A" they receive in a grade 12 course! For every "A", they will also receive entry into the grand prize draw, a \$400 Best Buy gift card and Fusion prize pack!

First semester payout deadline: March 8th

- Students must be a member of Fusion Credit Union.
- Each "A" earns students \$10 and an entry into the grand prize draw.
- An "A" is any grade 80% or higher.
- All grade 12 courses are accepted. Students do not necessarily need to be a grade 12 student (some grade 11's may take grade 12 courses).
- Basic general and advanced course levels are all acceptable.
- Only courses that receive a percentage grade are eligible.
- Membership must remain open between first semester payout and second semester payout to be entitled to collect second semester payout and participate in the grand prize draw. (Avoids members opening membership with no intent to keep it open)
- 1st Semester Payout Deadline: Friday, March 8th
- 2nd Semester Payout Deadline: Friday, July 26th
- Grand Prize Draw: Friday, July 26th
