INSTRUCTIONS FOR ALL APPLICANTS

- 1) The application is entirely online. You do not need to mail anything. Complete the application at **www.loranscholar.ca/apply**.
- 2) As part of the online application, tell us whether you are seeking **sponsorship** from your school. Each high school may sponsor up to **three** candidates and Cegeps may sponsor up to **eight** candidates.

Note: *If you do not receive sponsorship from your school, your application will automatically be considered in the direct pool. We encourage students to seek sponsorship, where possible, for the chance to participate in regional interviews. However, we continue to discover and select Loran Scholars through both application pools.*

- 3) You will need to request a **reference** from a teacher, community member or someone else who is familiar with your activities. The reference may not be a family member or friend.

Note: *The reference letter and sponsorship confirmation must be complete by the application deadline. They can only be completed after you have finished your section of the application. Ensure your reference writer and sponsor are aware of the deadline.*

WARNING

The process of admission to university and residence is the sole responsibility of each applicant and is separate from the application to the Loran Scholars Foundation.

This package is printed and distributed by FRIESENS YEARBOOKS as a service to the students, high schools, Cegeps and universities of Canada.
