
Lorne Foundation Bursary

The Lorne Foundation Bursary is in the amount up to \$1000.00 to a Hamiota Collegiate Graduate. The bursary maybe split depending upon the recipients of the bursary. Ideally the foundation will give priority to a current Hamiota Collegiate graduate for \$500.00 and a past graduate for \$500.00. Going forward the bursary maybe given to the same graduating student payable after the second semester of the first and second years. The highest GPA not necessarily accepted with priority given to someone that is involved in the business field with a “fire in their belly”.

Applications are now being accepted until June 1st of the current year.

To be eligible the applicant must:

- 1) Be a graduate from Hamiota Collegiate.
- 2) Furthering your studies at an accredited academic institution.
- 3) Obtained both a High School and Senior Years Technology Education Program – Business Diploma.
- 4) Preference will be given to a student taking a full course load in the agriculture, technology, or business fields at an accredited education institution.
- 5) Included in the application:
 - a. Name and address of your institution you have been accepted to in the fall.
 - b. A written paragraph of your involvement in your current education institution, extracurricular, and the work force.
 - c. Attach a copy of your polished resume.
 - d. Attach a copy of your current transcript.

Payment – the bursary, a total sum, will be paid directly to the academic institution(s) upon successful enrolment in the second semester.
