## *Lorne Foundation Bursary*

---

The Lorne Foundation Bursary is \$500.00, awarded to a Hamiota Collegiate graduate continuing on to post-secondary education in either business or agriculture. This bursary may be awarded to more than one student depending upon the number of applicants meeting the criteria or a past graduate, awarded in the second year if the student reapplies in their second year of education. The highest GPA is not necessarily the deciding factor, priority will be given to someone that is pursuing a future in the business or agriculture fields and has a “fire in their belly”.

Applications are now being accepted until June 15<sup>th</sup> of the current year. To be eligible the applicant must:

- 1) Be a graduate from Hamiota Collegiate.
- 2) Be furthering your studies at an accredited academic institution.
- 3) Obtain both a High School and Senior Years Technology Education Program – Applied Commerce Education Diploma.
- 4) Preference will be given to a student taking a full course load in either the agriculture or business fields at an accredited education institution.
- 5) Please include in the application:
  - a. Proof of enrollment of the institution you have been accepted to in the fall.
  - b. A written paragraph explaining the involvement in your current education institution, extracurricular activities, community involvement and work force.
  - c. Attach a copy of your polished resume.
  - d. Attach a copy of your current transcript.

Payment – the bursary, a total sum, will be paid directly to the academic institution(s) upon successful enrolment in the second semester.

Please submit your email application with attached documentation to: Lorne Foundation Bursary
